

International Day against Drug Abuse and Illicit Trafficking

Ahmedabad, 26th June is observed as the International Day against Drug Abuse and Illicit Trafficking (International Day against Drug Abuse and Illicit Trafficking), often referred to as the International Day against Drug Abuse. It is to strengthen global action and cooperation to achieve the goal of an international society free of drug abuse. Observance of this day aims to raise awareness to fight against the substance abuse as well as the unlawful trade of drugs. Drugs are initially taken out of choice, but it becomes hard to resist them sooner than you realize. It is difficult to recover from this problem and even those who are at high risk of developing it again.

the early stage, in order to curb the rampant use of drugs, we must go back to the root of the problem and make the user of drugs more human, tolerant, understanding, appreciative, sympathetic and helpful. Social workers, teachers, and above all parents, especially mothers can play a vital role in this direction. Many counselling and de-addiction centres have contributed greatly to create a national awakening. More such efforts are required from all walks of society.

Drugs are primarily chemicals that affect the communication system of the human brain. They disturb the ways in which nerve cells send, process and receive information. There are a couple of ways in which drugs achieve this - they copy the natural chemical messengers of the human brain and they overstimulate the brain's reward circuit. Drugs such as heroin and marijuana are

structured in the same way as chemical messengers known as neurotransmitters. The Drug addiction can develop at any age but those who begin taking drugs at an early age have the highest risk of getting addicted. This is because the young brain is more responsible for self-control, judgment and decision making are still in development stage. This is the reason why teenagers are more prone to drug abuse. Governments have a responsibility to curb drug trafficking and drug abuse, but communities can also make a major contribution. Families, schools, civil society and religious organizations can do their part to rid their communities of drugs.

According to National Survey, hardly a third of drug dependents reported having taken treatment. In the findings of our agency it was found as low as two per cent. It is largely because people do not see drug abuse as a medical problem. Besides, lack of rehabilitation and access to treatment facilities are various other causes for not seeking treatment. The disintegration of the old joint family system, absence of parental love and care in modern families where both parents are working, decline of old religious and moral values etc lead to a rise in the number of drug addicts who take drugs to escape hard realities of life. Drug trafficking

is one of the major crime. Killing someone or helping someone to kill himself is equal to a crime. This is what common sense and human sense says. The ones who are trafficking and helping such drugs reach each and every corner of the country are committing a big crime. Drugs and drug dealing is a scourge that can bring down a mature and intelligent society to intolerable levels of depravity. It is better to nip this crime in bud so that our country doesn't follow the horrible western malady. Creating awareness of dangers of the substance abuse in society and effecting behavioural change are integral parts of the National Drug Masterplan. The drug dealer is not a criminal when talking about peddlers and pushers who destroy the victim and his kind and kin and put the victim into unalterable habit which will make the individual take to all crimes including murder and rape. If we need to stop this menace from spreading we need harsh steps and stringent punishments. Only love and affection can help the youth from falling into clutches of drugs. Societal control is a necessary along with legal skeleton. Let us develop our Lives, our Communities, and our Identities...Without Drugs." Delimitation exercise: Poll panel holds meeting with deputy magistrates of J&K

Chandigarh, Amid heightened political activity in Jammu and Kashmir ahead of PM's all-party meeting on Thursday, the election commission on Wednesday held

deliberations with all 20 deputy magistrates of the UT via videoconferencing. Political analysts felt that the exercise could be a precursor to the much-awaited resumption of

political activities leading to the maiden assembly elections ever since the state of J&K was divested of its special status on August 5, 2019 and bifurcated into two UTs.

Inspire Co-Spaces signs a deal to open a 20000 sq. feet co-working space at Ahmedabad

Ahmedabad, Inspire Co-Spaces Signs 20000 sq. ft. space, located at Westgate on SG highway, Ahmedabad's most sought-after premium Grade-A commercial development, offering 300 seaters co-working space. Inspire Co-Spaces has four centers in Mumbai with over 5000 seats. They plan to double the seats by 2022 in different cities in India. Earlier, the co-working space has received an investment of 4 million dollars from an angel investor, Ashish Chandra, which they are using strategically to expand their footprint in all tier 1 and tier 2 cities. The collaboration was highly synergistic that aligns to create integrated end-to-end business space solutions for the clients.

Founder and Director of Inspire Co-Spaces, said, "We plan to invest over five crores to build its first flagship center in Ahmedabad city. We further have plans to expand to tier 2 cities like Kochi, Indore, Lucknow, etc. in the next 3 to 6 months timeframe. We see good traction in the workspace and are excited to see the rapid economic advancement in the upcoming years."

"Ahmedabad is in the top 10 industrial corridors for co-working spaces. Underlining the potential in Ahmedabad, post-Covid many companies, organizations, and entrepreneurs prefer co-working spaces; hence we are confident that this launch will meet the demand for co-working space. Before going live, more than 50% of seats have been occupied. (1-7)

Bihar candidate's admit card with Telugu female actor's photo goes viral

Patna, The Bihar School Examination Board (BSEB) is being ridiculed on social media for issuing a male candidate a score sheet with the picture of a south Indian female actor while also battling allegations of irregularities in the Secondary Teachers' Eligibility Test (STET) merit list. A Jehanabad based candidate Rishikesh Kumar was declared qualified in the teachers' recruitment examination but excluded from the merit list like hundreds of other candidates, who have questioned the board's criteria for compiling the merit list, leaving out successful candidates. The apparent irregularity in the merit list is not Kumar's only problem, he was also issued a result sheet attached with a photograph of Telugu and Malayalam actress Anupama Parameswaran, making the social media go crazy over the state education department's carelessness.

BSEB released STET 2019 results for recruitment of 12 subjects' teachers on March 12 and pending results for three subjects' teachers of Urdu, Sanskrit and Social Science on June 21. Kumar said he had registered a complaint with the board last year for inserting the female actor's photograph in his admit card and also sought photo correction in January last year, however, it was clear that it didn't work. When approached by HT, he refused to talk on the issue. A senior BSEB official said, "We are looking into the matter. It seems the error was committed by the computer operator."

When asked how the student made through the verification and frisking at the exam centre with a wrong photograph on the admit card, the official said, "The board instructs all candidates to carry their photo-attached identity proof like Aadhar card, driving licence, bank
